

REGISTER NOW FOR YOUR STALL AT THE CORO MUSIC FESTIVAL 2010, JAN 3

Website: www.cedact.org.nz
Email: bookings@cedact.org.nz
Mail: CEDACT, PO Box 90, Coromandel
Phone: 07 866 7628 (Lionel Parsloe, Site Manager)

Please see our website at www.cedact.org.nz for information about the festival.

Festival Grounds: Coromandel Township, Area School Grounds at Tiki Road

Date: The Music Festival is on Jan 3rd the day after the Keltic Fair and on the same grounds.

Communication by email is preferred and will result in the fastest service for stall holders.

Because of huge stall-holder interest we have a 'first in first served' policy.

Registrations must be paid in full to secure and confirm your stall. There are no pre-booked sites.

Your stall number and location will be confirmed to you as soon as allocated and your funds are received.

Please note:

- The registration is non-refundable
- The fair will operate rain or shine – no refunds or cancellation!
- Please no drug paraphernalia
- The Festival is held on the grounds of the Coromandel Areas School.
School policy: – no dogs, no BYO alcohol and no smoking on school grounds
- The Trustees will review the contents of each stall and reserves the right to expel stall holders selling goods or services it deems inappropriate.

Stall Rates:

Please refer to the stall rate table on the next page. Please work out the total payable correctly from the rate sheet on the following page and include correct payment to expedite registration.

Stall Rates and Rules – CORO MUSIC FESTIVAL 2010

The CORO MUSIC FESTIVAL on JAN 3rd is the day after the famous Keltic Fair and on the same grounds. Stalls attending the Keltic Fair as well, will likely be required to set up in a different location for the Music Festival as the layout of the festival is different from that of the Keltic Fair. However we will endeavour to assign places to avoid this where possible.

The number of trade stalls at the MUSIC FESTIVAL will be limited and only about 1/4 of the stalls of the Keltic Fair will be able to be there for the MUSIC FESTIVAL also. You must have booked the Keltic Fair (2nd of January) also, in order to be eligible to book a stall at the Music Festival; exceptions are made only by prior arrangement.

The organizers of the Festival will choose among the applications and select the most appropriate stalls for the event. Applications that were not accepted will be returned with your check.

Stall Types:

Standard Stalls:

Stalls are guaranteed to be 8m deep. Minimum 3m wide, extra width as per your application.

Corner Stalls:

There is a very limited number of corner stalls available on the fair. Corners stalls have two frontages: the regular frontage plus trading along the other side of the stall.

You can let us know if you wish to apply for a corner stall by ticking the box on the application form. We will then contact you if we have a corner stall available. Corner stalls will be charged on the longer of the two frontages.

Send in a check for the normal frontage you require with your initial application.

If you are successful in your application for a corner stall we will contact you and request you to send in a second check with the additional fee for the longer frontage. Your corner stall will be assigned only after we received this second check from you within one week of assigning you a corner stall.

Event Tickets:

The Coro Music Festival ticket price is \$45. You will get two complimentary free tickets with your stall application. Any further tickets must be purchased. Please indicate the number of additional tickets required on the application form and include payment with your application.

Refunds and Cancellations:

The Festival will operate shine or rain and no refunds will be given.

If you cancel your Festival booking you must let us know by the 24th of December by 5pm in order to receive a refund on your booking. Cancellations after that date will not be accepted and you will lose your booking fee.

Rates:

1) Stall Frontage by meter. Select the frontage you require.

3m trade frontage = **\$140.00** (minimum size)

Additional frontage for standard stall = **\$30.00** per additional meter of trade frontage.

Example: You would like a 5m stall: \$140 for the first 3m plus \$60 for the additional 2m for a total of \$200.

2) Corner Stalls:

If you are successful in your application for a corner stall you will be contacted by us and will be required to send in an additional check based on the frontage of the longer of the two sides of the stall.

3) Event tickets:

Regular ticket price is \$45. Stall holders will receive two free tickets and can purchase further tickets as required directly from CEDACT with your stall application. Please include payment with your booking fee.

Note: There is no 'ownership' of any particular location on the festival ground even if you have been at that location on previous Keltic Fairs!

The layout between the Keltic Fair and the Music Festival is different and you may be required to shift your stall in the evening after the Keltic Fair day to the assigned location for the Music Festival day.

The layout of the fairground may change from Festival to Festival and you will have to accept the allocation made by the fair management. We try to accommodate your special requirements but can not guarantee that we are able to do so.

By signing and sending in your application form you acknowledge and accept these rules.
